By unanimous consent, Honorable Richard J. Daley, Mayor, presented to the Council Her Excellency Golda Meir, as an outstanding woman, a scholar who has done much to draw attention to Israel's fight for peace and who is now touring the United States in celebration of its Bicentennial year.

Mrs. Meir in addressing the City Council spoke simply and eloquently of Israel's endeavors in settling an unwanted country by an unwanted people; of their unceasing efforts to find peace and contentment with their neighbors. Mrs. Meir stated that she was most pleased to be present at the meeting and saluted America on the occasion of its Bicentennial. She also noted in her remarks that no other people had been so discriminated against, reviled or insulted, and that the culmination of their degradation came under the Nazis. But she also said that they intended to continue to look and pray for peace but would also continue to be prepared for violence, since they had no other choice.

Mrs. Meir was greeted warmly by the Council and guests and was thanked for the honor bestowed upon her at the Council Meeting.

The Mayor introduced the following members of her entourage:

Ambassador Ehud Avriel, Consul General of Israel for the Midwest;

Harry Fox, General Chairman, Jewish United Fund-Israel Emergency Fund;

Marvin N. Stone, President, Jewish Federation and the Jewish United Fund;

Sol Goldstein, Chairman, Israel Bonds;

James P. Rice, Executive Vice President, Jewish Federation and Jewish United Fund;

MAYOR PRESENTS MARY JO WEIR AND AMBER HERNANDEZ.

Honorable Richard J. Daley, Mayor, introduced Mary Jo Weir, who was the first female resident of the Chicago area to be selected to attend the United States Air Force Academy.

Alderman Pucinski stated how proud he was that Mary Jo's family were members of the 41st Ward and called the Council's attention to the presence at the meeting of Mary Jo's mother, father and two brothers. Alderman Pucinski cited Mary Jo's outstanding scholastic record at Resurrection High School, a straight "A" student, her achievements as an athlete and that she had been chosen as the outstanding athlete of the northwest side. He also noted that Mary Jo's father was the No. 1 precinct captain and that his daughter, despite all her many other activities, helped her father in the performance of his civic efforts. He concluded his remarks by wishing her well in her new undertaking.

The Mayor then introduced Amber Hernandez, as another outstanding example of the youth of the City who had been chosen as the first Chicago female resident to be selected to attend the United States Naval Academy.

Alderman Mell rose to express his appreciation for her selection and he in turn introduced her father Lieutenant Hernandez, a policeman for seventeen years, and her mother as outstanding examples of parents who brought their children up with respect for their country and its laws.

Both aldermen expressed their belief that these two young women were "positive" examples of the young people in Chicago as opposed to most of the "negative" examples so often featured and written about.

Honorable Richard J. Daley, Mayor, presented to the two young ladies a Bicentennial bouquet and told them how proud he was of them as well as all Chicago.

Both young ladies addressed the Council expressing their appreciation for the honor accorded them. The Mayor responded that the Council was honored to have them present.

Provision to meet the requirements of this section shall be included in the annual appropriation bill of the City of Chicago for each of the years aforesaid, and the City of Chicago hereby obligates itself annually in due time and manner to perform all things and take all action required by law to carry out the provisions of this section.

In the event proceeds of taxes hereby levied are not available in time to meet any payments of principal of and interest upon said bonds, then the fiscal officers of said City are hereby directed to make such payments from any current funds of the City that are available for that purpose in advancement of the collection of said taxes herein levied and when the proceeds of such taxes herein levied are received, such funds shall be reimbursed, all to the end that the credit of the City may be preserved by the prompt payment of the principal of and interest on the bonds herein authorized as the same become due.

SECTION 6. That forthwith as soon as this Ordinance becomes effective, a copy hereof certified by the Clerk of said City, which certificate shall recite that this Ordinance has been passed by the City Council of said City, approved by the Mayor, and published as provided by the ordinance of the City adopted on April 5, 1972, shall be filed with the respective County Clerks of Cook and DuPage Counties, Illinois, and said respective County Clerks shall in and for each of the years 1976 to 1989, inclusive, ascertain the rate percent required to produce the aggregate tax hereinbefore provided to be levied in each of said years, respectively, and extend the same for collection on the tax books in connection with, but in addition to and in excess of all other taxes levied in each of said years, respectively, in and by said City, and in each of said years such annual tax herein levied shall be collected by said City in like manner as taxes for all other purposes for each of said years are levied and when collected such taxes shall be used solely for the purpose of paying principal and interest upon the bonds herein authorized when same mature.

SECTION 7. That forthwith after this ordinance has become effective as provided by law, the bonds herein authorized shall be sold by the City Comptroller, with the concurrence of the Chairman of the Finance Committee of the City Council, at a price of not less than par and accrued interest to date of delivery, either pursuant to advertised notice and the receipt of sealed bids and on the basis of the lowest interest cost to the City, or the City Comptroller is authorized to negotiate for a sale of such bonds at a price of not less than par and accrued interest to date of delivery and on such terms as he may deem to be for the best interests of the City. Subsequent to such sale, the Comptroller shall file in the office of the City Clerk a notification of sale directed to the City Council and indicating the name of the purchaser or purchasers of such bonds, the terms of such sale and the interest rates for such bonds, and thereafter the bonds shall be duly prepared bearing such interest rates as provided in the contract of sale and in the form and manner as herein provided, shall be duly executed and shall be delivered to the City Treasurer for delivery to the purchaser or purchasers in accordance with the terms of sale.

In the event that such bonds are sold bearing an interest rate less than the maximum rate herein authorized, then the Comptroller shall include in the notification of sale above referred to, information to indicate the amount of savings in interest cost to the City resulting from such sale at a lower rate of interest, and, in addition, said Comptroller shall file in the offices of the County Clerks of Cook and DuPage Counties a certificate of tax abatement, such certificate to refer to the amount of taxes herein levied for each of the years 1976 to 1989, inclusive, for the payment of the principal of and interest on the bonds herein authorized to their maturity, indicating the amount of reduction in the interest cost to the City resulting from the sale of said bonds herein authorized at the lesser rate of interest than the maximum rate herein authorized and which amount is to be abated from the taxes herein levied for each of the years 1976 to 1989, inclusive, and further indicating the remainder of such taxes herein levied for each of the years 1976 to 1989, inclusive, which is to be extended for collection for each of said years of 1976 to 1989, inclusive, by said respective County Clerks.

Simultaneously, with the delivery of said bonds, the City Treasurer shall withdraw from such sale proceeds an amount which, together with accrued interest received, will be sufficient to pay the interest becoming due on such bonds on January 1, 1977, which amount shall be deposited in escrow with the Continental Illinois National Bank and Trust Company of Chicago under the terms of an agreement which will provide that such amount is being deposited to provide sufficient funds for prompt payment of the interest coupons representing interest becoming due on said bonds on January 1, 1977, and which said instrument shall further provide that the amount so deposited therein shall be invested in investments permitted by Chicago statutes and having such maturities that sufficient funds will be available for prompt payment of interest coupons numbered one, which become payable on January 1, 1977, including paying agency fees and fees for acting as such depositary. Paying agency fees and fees for acting as such depositary shall be deducted from the earnings of such investments and the amount remaining of such earnings shall be paid to the City Treasurer for deposit in the Refuse Disposal Facilities Improvement Account hereinafter provided for in Section 8 hereof. SECTION 8. That the proceeds received from the sale of the bonds herein authorized, subject to the withdrawal of that amount necessary to make the deposit in escrow as provided in Section 7 hereof, shall be deposited into a Refuse Disposal Facilities Improvement Account and be used solely and only for the purpose for which the bonds were authorized and the City Council of said City hereby represents and certifies to the purchaser of the bonds herein authorized and to all subsequent holders thereof that:

(3) Work on the construction of said improvements as herein provided for, is expected to proceed with due diligence to completion;

(4) The improvements proposed to be made have not been and are not expected to be sold or otherwise disposed of prior to the last maturity of the bonds herein authorized;

(5) All of the principal proceeds of the bonds herein authorized are needed for the purpose of paying the cost of constructing the necessary improvements, as herein provided for, including expenses incidental thereto and to the issuance of the bonds herein authorized; and

(6) To the best of the knowledge and belief of the City Council, there are no facts, estimates or circumstances that would materially change the conclusions and representations set forth in this section.

The City Council of said City further covenants and agrees with the purchaser and holders of the bonds herein authorized that so long as any of said bonds remain outstanding, the said City of Chicago and any of its officers will take no action in the investment of funds which may be to the credit of the Account hereinabove provided for in this section, which action would result in making the interest payable on any of said bonds herein authorized subject to federal income taxes by reason of said bonds being classified as "arbitrage bonds" within the meaning of Section 103(d) of the Internal Revenue Code of 1954, as amended, and any regulations promulgated or proposed thereunder, including Sections 1.103-13 and 1.103-14 of the Income Tax Regulations (26 CFR Part 1), as the same presently exist, or may from time to time hereafter be amended. The said City Council reserves the right to make any investment of such moneys permitted by state law if, when and to the extent that said Section 103(d) or regulations promulgated thereunder shall be repealed or relaxed or shall be held void by final decision of a court of competent jurisdiction, but only if any investment made by virtue of such repeal, relaxation or decision would not, in the opinion of counsel of recognized competence in such matters, result in making the interest on said bonds subject to federal income taxation.

SECTION 9. That the proceeds of the bonds hereby authorized shall be expended only for the purpose of improving the systems of refuse disposal in and for said City of Chicago, including the construction of necessary improvements to existing facilities and the acquisition of additional equipment for such purpose, such improvements to be made to existing facilities and the additional equipment to be acquired being as shown on the detailed report describing the same prepared by the Commissioner of Public Works, a copy of which is on file in the office of the City Clerk of the City of Chicago.

SECTION 10. That all ordinances, resolutions and orders, or parts thereof, in conflict with the provisions of this Ordinance, be and the same are hereby repealed and this Ordinance shall be published by the City Clerk, in pamphlet form, by preparing at least 1,000 copies thereof, which copies are to be made available in his office for public inspection and distribution to members of the public who may wish to avail themselves of a copy of this Ordinance, and this Ordinance shall be in full force and effect upon its publication as herein and as by law provided.

That forthwith as soon as this Ordinance becomes effective, a copy hereof certified by the Clerk of said City, which certificate shall recite that this Ordinance has been passed by the City Council of said City, approved by the Mayor, and published as provided by the ordinance of the City adopted on April 5, 1972, shall be filed with the respective County Clerks of Cook and DuPage Counties, Illinois, and said respective County Clerks shall in and for each of the years 1976 to 1989 inclusive, ascertain the rate percent required to produce the aggregate tax hereinbefore provided to be levied in each of said years, respectively, and extend the same for collection on the tax books in connection with, but in addition to and in excess of all other taxes levied in each of said years, respectively, in and by said City, and in each of said years such annual tax herein levied shall be collected by said City in like manner as taxes for all other purposes for each of said years are levied and collected, and when collected such taxes shall be used solely for the purpose of paying principal and interest upon the bonds herein authorized when same mature.

Provided, however, that the taxes herein levied shall be subject to such abatement as provided in Section 7 hereof as may result from the sale of the bonds herein authorized at a lower interest rate than the rate herein authorized.

SECTION 7. That forthwith after this ordinance has become effective as provided by law, the bonds herein authorized shall be sold by the City Comptroller, with the concurrence of the Chairman of the Finance Committee of the City Council, at a price of not less than par and accrued interest to date of delivery, either pursuant to advertised notice and the receipt of sealed bids and on the basis of the lowest interest cost to the City, or the City Comptroller is authorized to negotiate for a sale of such bonds at a price of not less than par and accrued interest to date of delivery and on such terms as he may deem to be for the best interests of the City. Subsequent to such sale, the Comptroller shall file in the office of the City Clerk a notification of sale directed to the City Council and indicating the name of the purchaser or purchasers of such bonds, the terms of such sale and the interest rates for such bonds, and thereafter the bonds shall be duly prepared bearing such interest rates as provided in the contract of sale and in the form and manner as herein provided, shall be duly executed and shall be delivered to the City Treasurer for delivery to the purchaser or purchasers in accordance with the terms of sale.

Simultaneously, with the delivery of said bonds, the City Treasurer shall withdraw from such sale proceeds an amount which, together with accrued interest received, will be sufficient to pay the interest becoming due on such bonds on January 1, 1977, which amount shall be deposited in escrow with the Continental Illinois National Bank and Trust Company of Chicago under the terms of an agreement which will provide that such amount is being deposited to provide sufficient funds for prompt payment of the interest coupons representing interest becoming due on said bonds on January 1, 1977, and which said instrument shall further provide that the amount so deposited therein shall be invested in investments permitted by Chicago statutes and having such maturities that sufficient funds will be available for prompt payment of interest coupons numbered one, which become payable on January 1, 1977, including paying agency fees and fees for acting as such depositary. Paying agency fees and fees for acting as such depositary shall be deducted from the earnings of such investments and the amount remaining of such earnings shall be paid to the City Treasurer for deposit in the 911 Universal Emergency Service System Account hereinafter provided for in Section 8 hereof. The amount withdrawn from the proceeds of the sale of said bonds for establishment of the escrow agreement herein provided for shall be deposited into said 911 Universal Emergency Service System Account from the taxes herein levied for the year 1976 to pay the interest requirements of said bonds when such taxes will have been collected.

SECTION 8. That the proceeds received from the sale of the bonds herein authorized, subject to the withdrawal of that amount necessary to make the deposit in escrow as provided in Section 7 hereof, shall be deposited into a 911 Universal Emergency Service System Account and be used solely and only for the purpose for which the bonds were authorized and the City Council of said City hereby represents and certifies to the purchaser of the bonds herein authorized and to all subsequent holders thereof that:

(6) To the best of the knowledge and belief of the City Council, there are no facts, estimates or circumstances that would materially change the conclusions and representations set forth in this section.

The City Council of said City further covenants and agrees with the purchaser and holders of the bonds herein authorized that so long as any of said bonds remain outstanding, the said City of Chicago and any of its officers will take no action in the investment of funds which may be to the credit of the Account hereinabove provided for in this section, which action would result in making the interest payable on any of said bonds herein authorized subject to federal income taxes by reason of said bonds being classified as "arbitrage bonds" within the meaning of Section 103(d) of the Internal Revenue Code of 1954, as amended, and any regulations promulgated or proposed thereunder, including Sections 1.103-13 and 1.103-14 of the Income Tax Regulations (26 CFR Part 1), as the same presently exist, or may from time to time hereafter be amended. The said City Council reserves the right to make any investment of such moneys permitted by state law if, when and to the extent that said Section 103(d) or regulations promulgated thereunder shall be repealed or relaxed or shall be held void by final decision of a court of competent jurisdiction, but only if any investment made by virtue of such repeal, relaxation or decision would not, in the opinion of counsel of recognized competence in such matters, result in making the interest on said bonds subject to federal income taxation.

SECTION 9. That the proceeds of the bonds hereby authorized shall be expended only for the purpose of designing, acquiring and installing a 911 Emergency Service System in and for the City of Chicago, such system to be of the kind and type and to be as shown on the detailed report describing the same prepared by .....,

Provided, however, that Landlord may elect, at its sole option, not to repair or reconstruct the premises or the building, of which the premises are a part, and upon written notice of such election from Landlord to Tenant the obligation of Tenant to pay rent shall cease and this agreement shall thereupon terminate.

Article IX

Landlord hereby grants to Tenant the right of access and ingress to and egress from the premises by Tenant and its employees, contractors, suppliers, servicemen, sublessees, guests, patrons and invitees; provided, that such rights of access, ingress and egress, are at all times exercised in conformance with the further provisions of this agreement and any and all regulations promulgated by Landlord or the Commissioner, or other lawful authority, for the care, operation, maintenance and protection of the Airport and the public.

Operations to be conducted by the Tenant under this agreement shall be done at the sole expense of the Tenant and shall be subject to general inspection by the Landlord to insure a continuing quality of services commensurate with the standards provided for in this agreement and to such other provisions of related agreements as may be pertinent as entered into between Landlord and others governing the use of and operations at the Airport, and shall be further subject in the case of operations at Chicago-O'Hare International Airport, to the provisions of paragraph 4, Article XI of that certain agreement entitled "Airport Use Agreement" and the further provisions, including the right of cancellation of Section 6.04, Article VI of that certain agreement entitled "Lease of Terminal Facilities" and to such other provisions of said related agreements as may be pertinent as entered into between the City and the Scheduled Airlines governing use and operation of Chicago-O'Hare International Airport.

This agreement shall not and will not, nor shall any copy thereof, or any statement, paper or affidavit in any way or manner referring hereto, be filed in the office of the Recorder of Deeds of Cook or DuPage Counties, Illinois, or in any other public office, by Tenant or anyone acting for Tenant and that if the same be so filed, this agreement and each and every provision hereof shall, at the option of the Landlord, be and become absolutely null and void and Landlord may declare such filing a breach of this agreement.

Article XI

Default
Confession or Judgment

If Tenant shall vacate or abandon the premises, or any part thereof, or permit the same to remain vacant or unoccupied, or in the case of the nonpayment of the rent and charges reserved hereby or any part thereof or of the breach of any covenant contained in this agreement, Tenant's right to the possession of the premises thereupon shall terminate, with or without any notice or demand whatsoever, and the mere retention of possession thereafter by Tenant shall constitute a forcible detainer of said premises, and if the Landlord so elects, but not otherwise, this agreement shall thereupon terminate.

Upon the termination of Tenant's right of possession, as aforesaid, whether this agreement be terminated or not, Tenant agrees to surrender possession of the premises immediately, without the receipt of any demand for rent, notice to quit or demand for possession of the premises whatsoever, and Tenant hereby grants to Landlord full and free license to enter into and upon said premises, or any part thereof, to take possession thereof without process of law and to expel and remove Tenant, or any other person who may be occupying the premises, or any part thereof.

Landlord may use such force in and about expelling and removing Tenant and said other person as may reasonably be necessary and Landlord may repossess itself of the said premises as of its former estate, but said entry of said premises shall not constitute a trespass or forcible entry or detainer, nor shall it cause forfeiture of charges due by virtue hereof, nor a waiver of any covenant, agreement or promise contained in said agreement, to be performed by Tenant.

Tenant hereby waives all notice of any election made by Landlord under this agreement, demand for rent, notice to quit, demand for possession, and any and all notices and demands whatsoever, of any and every nature, which may or shall be required by any statute of this State relating to forcible entry and detainer, or to Landlord and Tenant, or any other statute, or by the common law during the terms of this agreement.

The acceptance of rent, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Tenant, or the giving or making of any notice or demand, whether according to any statutory provisions or not, or any act or series of acts, except an express written waiver, shall not be construed as a waiver of Landlord's right to act without notice or demand or of any other right hereby given Landlord, or as an election not to proceed under the provisions of this agreement.

If default to be made in the payment of the rent, or other charges herein reserved, or of any installment thereof, as herein provided, Tenant does hereby irrevocably constitute any attorney of any Court of Record in this State attorney for it and, in its name, from time to time, to waive the issuance of process and service thereof, to waive trial by jury, to confess judgment in favor of Landlord and against Tenant for the amount of rent which may be then due, by virtue of the terms hereof, or of any extensions or renewals hereof, or by virtue of any holdover after the termination hereof, and which may be in default, as aforesaid, together with the costs of such proceedings and for said purposes to file in said cause his cognovit thereof, and to make an agreement in said cognovit, or elsewhere, waiving and releasing all errors which may intervene in any such proceeding and waiving and releasing all right of appeal and right to writ of error and consenting to an immediate execution upon such judgment, and Tenant hereby confirms all that said attorney may lawfully do by virtue hereof.

Landlord shall have a first lien on Tenant's interest hereunder, and on Tenant's property now or hereafter located in said premises, or elsewhere, to secure payment of all moneys due hereunder, which lien may be foreclosed in equity and in case of any such foreclosure proceeding, a receiver shall be appointed to take possession of said premises and property and relet the premises under order of court.

The obligation of Tenant to pay the rent reserved hereby during the balance of the term hereof, or during any extension thereof, shall not be deemed to be waived, released or terminated, nor shall the right and power to confess judgment given in the preceding paragraphs hereof waived or terminated, be deemed to be waived or terminated by the service of any five-day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment, or any judgment for possession that may be rendered in such action or any other act or acts resulting in the termination of Tenant's right to possession of the premises.

The Landlord may collect and receive any rent due from Tenant and payment or receipts thereof shall not waive or affect any such notice, demand, suit or judgment, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Landlord may have by virtue hereof.

Tenant shall pay and discharge all costs, expenses and attorney's fees which shall be incurred and expended by Landlord in enforcing the covenants and agreements of this agreement, whether by the institution of litigation or in the taking advice of counsel, or otherwise.

The rights and remedies hereby created are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

Tenant shall observe and comply with all laws, ordinances, rules and regulations of the United States Government, State of Illinois, Counties of Cook and DuPage, City of Chicago and all agencies thereof which may be applicable to its operations or to the operation, management, maintenance or administration of the Airport, now in effect or hereafter promulgated.

b. It is further understood that it is not the intent of Landlord to make available any area at Merrill C. Meigs Field to any agency for installation of electronic navigational facilities intended for use in routine Instrument Flight Rule (IFR) operations, it being the primary function of said airport to provide for Visual Flight Rule (VFR) operations.

It is a condition of this Lease that all buildings at any time upon the demised premises, including all additions, extensions, alterations, improvements, repairs and restorations thereto and thereof and all fixtures in said building or upon said premises, shall be at all times the exclusive property of Lessor.

SECTION 6. (a) Lessee knows the condition of the demised premises and receives them in good order and repair; no representations as to their condition or repair, past, present or future, have been made by Lessor.

(b) Lessor, at all times during the term hereof, shall make general building maintenance repairs (excluding the interior of the building) and Lessor's duty in this regard is further defined as follows: to maintain and keep in repair the roof, gutters and downspouts; to maintain the exterior walls and foundations of the demised building; to maintain and keep in repair outer doors and windows (excluding plate glass); to make repairs to interior plastering when damaged due to faulty roof; to maintain general building plumbing, but not interior plumbing and connections to Lessee's fixtures; to maintain and make repairs to the central heating system, if any; to maintain electrical service to the building, including main service switch box.

(See Section 5 of this Lease.) If Lessee shall at any time fail promptly to perform any such order, it may be performed by Lessor, and the cost thereof, to Lessor shall be so much additional rent due and payable from Lessee to Lessor upon demand, with interest at the rate of seven per cent (7%) per annum from the date of incurring such cost until paid.

(d) In the use, maintenance, repair and policing of said premises, adjoining public places, and vaults, catch basins and sewers thereon, therein or adjacent thereto, Lessee shall carry out the requirement of all applicable laws and regulations. Lessee shall do or suffer no act to injure the reputation of said premises or to disturb or offend the neighborhood.

SECTION 7. No intoxicating liquor shall be sold, given away or served on said premises. Said premises shall not be so used as to increase the insurance rate thereon, nor be, in whole or in part, occupied by or sublet to any other person. If without consent of Lessor, this Lease or any interest in it shall be assigned by Lessee or transferred by operation of law, this Lease at Lessor's option shall *eo instante* become void.

Lessee shall not allow any signs or placards upon the demised building, except such as are reasonable in connection with the business of Lessee. SECTION 8. Lessee agrees to save Lessor forever harmless from every penalty, claim, loss, cost damage, attorney's fees and expense resulting from any failure of observance of any provision of this Lease to be performed by or on behalf of Lessee, or so resulting from any accident or other occurrence happening at any time during the term hereof, due, proximately or remotely, to the condition or maintenance of said premises or any machinery, pipes, wires, conductors, drains, sewers, elevators apparatus or other appurten-

ances in, on, above, below or about said premises or to the management, use or operation thereof, or of any part thereof, by Lessee or any person holding under him, or by any contractor, laborer, servant or volunteer working or being upon or about said premises.

SECTION 9. (a) Lessor shall not be liable for any damage or expense in any way resulting from the bursting, leaking or running of any cistern, tank, wash-stand, water-closet or pipe in, above, below or about said premises; or from water, snow or ice being upon or coming through roof, skylight, trap door, window or other opening, or from the condition, maintenance, management, use or operation of said premises, or of any machinery, pipes, wires, conductors, drains, sewers, elevators or other apparatus or appurtenances in, on, above, below or about said premises; or from the acts or neglect of co-tenants or other occupants, if any, of the same building in which the demised premises are located or of any owners, occupants or users of property other than said premises.

(b) Lessor shall not be liable for damages to Lessee arising from any act of a third party or from the dispossession of Lessor or Lessee by third party, or from any act not the act of Lessor; but no rent shall accrue while Lessee shall be so dispossessed.

(c) In case said premises shall be rendered untenantable by fire or other casualty, the Lessor may elect, at any time within thirty days, whether it will repair said premises, and shall give the Lessee notice in writing of such election. Should the Lessor elect not to repair said premises, or should it fail to give the Lessee notice in writing within thirty days of such election, or should said premises be destroyed by fire or other casualty, the term of this Lease shall cease and determine and any unearned rent paid in advance by Lessee shall be refunded. In case the damaged premises are repaired or restored by Lessor, a just proportion of the rent provided herein shall abate until said premises are repaired or restored to a proper condition for Lessee's use and occupancy.

SECTION 10. Lessor shall have free access to the demised premises or any structures of the Lessor therein or thereover at all reasonable times to examine or exhibit them, or to make repairs or alterations. Lessor may place upon said premises at all times, notice that the premises are or will be for rent or for sale.

SECTION 11. Lessor shall be under no obligation as to heating, lighting or furnishing power to said premises.

SECTION 12. It is agreed and notice is hereby given that no contract, transfer, assignment, mortgage, judgment, mechanics' or other lien or liens shall in any manner or degree affect the title or estate of Lessor in the demised premises.

SECTION 13. If Lessee shall abandon or vacate said premises they may be relet by Lessor for such rent and upon such terms as Lessor may see fit; and if a sufficient sum shall not be thus realized, after paying the expenses of such re-letting and of collecting the rental, to satisfy the rent hereby reserved, Lessee agrees to pay all deficiency.

SECTION 14. Lessee agrees at the termination of this lease, by lapse of time or otherwise, to yield up to Lessor immediate possession of said premises, in good condition and repair (loss by fire and ordinary wear excepted) and, failing so to do, to pay per day as liquidated damages, but not as penalty, for the whole time such possession is withheld, four (4) times the highest *pro rata* daily rental herein reserved, but the receipt of said liquidated damages or any other act in apparent affirmance of the tenancy shall not operate as a waiver of the right to forfeit this Lease for the period still unexpired, for any breach of any of the covenants herein.

SECTION 15. (a) If at any time default shall be made by Lessee in the payment of rent or in the performance of any of the agreements herein contained and such default shall continue thirty (30) days after notice thereof in writing by Lessor to Lessee, it shall be lawful for Lessor at its election, at or after the expiration of said thirty (30) days, to declare said demised term ended and into said demised premises, either with or without process of law, to re-enter, Lessee hereby waiving any demand for possession of said premises. Immediately upon the termination of said demised term, at such election of Lessor, or in any other way, Lessee will surrender said premises peaceably to Lessor, and if Lessee shall hold possession of said premises, or any part thereof, one day after the same should be surrendered according to the terms of this Lease, he shall be deemed guilty of forcible detainer of said premises and shall be subject to eviction and removal, forcibly or otherwise, with or without process of law.

(b) The various powers, elections and remedies of Lessor shall be construed as cumulative and no one of them as exclusive of any other or any rights or remedies allowed by law.

(c) If Lessor shall without any fault of its part be made party to litigation commenced by or against Lessee, Lessee shall pay all costs, attorneys' fees and expenses incurred by Lessor therein, and Lessee shall also pay all costs and attorneys' fees incurred by Lessor in enforcing the terms of this Lease. All such costs and attorneys' fees, if paid by Lessor, and the rent, rates and charges herein provided to be paid by the Lessee, shall be a first lien upon the leasehold estate hereby created, and upon the rents of all buildings and improvements situated on said premises, which lien may be enforced by any lawful proceeding.

(d) No waiver of a breach of any of the covenants of this Lease shall be construed to be a waiver of any other or succeeding breach of the same or other covenant.

SECTION 16. Notices of Lessor to Lessee hereunder may be served by leaving a copy thereof at the demised premises, or by mailing such copy to Lessee at

Real Estate Department, Room 601, City Hall, Chicago, Illinois 60602

SECTION 19. (a) In case of the termination of this Lease by the notice provided for in Section Seventeen hereof, there shall be an accounting between the parties hereto within thirty (30) days preceding the expiration of such notice, and the balance found due to either party by such accounting shall be payable upon surrender of the premises by Lessee to Lessor under such notice, or in case such accounting shall not have been completed previous to the date fixed by such notice for such surrender, then the balance so found due shall be paid within ten (10) days after such accounting shall have been completed, and the time of yielding up the demised premises shall be at the expiration of such notice and shall be in no wise affected by the said accounting or by the space of time required in making it.

In such accounting Lessor shall be credited and Lessee charged with any and all rents accrued and to accrue up to the termination of such notice, and with any and all charges, costs and expenses accrued or accruing and unpaid up to such termination, which Lessee herein agrees to bear and pay as additional rent or otherwise.

(b) In such accounting Lessee shall be credited and Lessor shall be charged with the proportionate part of any charge paid by Lessee as additional rent as above provided, covering time beyond the time of the surrender of the demised property to Lessor.

After the service of any notice or the commencement of a suit or after final judgment for possession of said premises, Lessor may receive and collect any rent due without waiving or affecting said notice, suit or judgment.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Permission and authority hereby are given and granted to the Central National Bank of Chicago, Illinois, Trustee under Trust Agreement dated April 30, 1973, known as Trust No. 19750, upon the terms and subject to the conditions of this ordinance, to maintain and use as now erected a four-faced ornamental metal clock twenty (20) feet three (3) inches in height, projecting eight (8) feet over the sidewalk space attached to the corner of the building located at the southwest corner of E. Wacker Drive and N. Wabash Avenue, twenty (20) feet nine (9) inches above the level of the sidewalk at said location; for a period of five (5) years from and after March 31, 1976.

The location of said ornamental metal clock shall be as shown on photograph hereto attached, which by reference is made a part of this ordinance. Said ornamental metal clock shall contain no advertising matter whatsoever, and shall be maintained and used in accordance with the ordinances of the City of Chicago and the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privilege herein granted the sum of One Hundred Fifty Dollars ($150.00) per annum, in advance, the first payment to be made as of March 31, 1976, and each succeeding payment on the same day and month annually thereafter. In case of the termination of the privilege herein granted the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall have become due and payable under the provisions hereof before the structures and appliances herein authorized are removed and the public way restored as herein required. Further renewal authority for the continued maintenance and use of the public ways herein described shall be applied for prior to the date of expiration of this ordinance.

SECTION 3. This ordinance is subject to amendment, modification or repeal, and permission and authority herein granted may be revoked by the Mayor, in his discretion, at any time without the consent of said grantee. Upon termination of the privileges herein granted, by lapse of time or otherwise, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Streets and Sanitation. In the event of the failure, neglect or refusal of said grantee so to do, the City of Chicago will have the choice of either performing said work and charging the cost thereof to said grantee or determining what the cost of said work shall be and billing the grantee for said cost. For the City of Chicago to recover from the insurance company and grantee under this Section, it is not necessary that the City of Chicago first make said removal, relocation, alteration, repair, maintenance or restoration. The Commissioner of Streets and Sanitation is hereby authorized to determine what cost would be involved to perform said removal, relocation, alteration, repair, maintenance or restoration. The grantee and the insurance company, upon receiving written notification from the Commissioner of Streets and Sanitation of the cost shall pay said amount. The decision of the Commissioner of Streets and Sanitation shall be final and binding. It shall be the responsibility of the grantee to furnish the City of Chicago, prior to issuance of permit for this privilege, a copy of proof of insurance (Certificate of Insurance) in an amount not less than $1,000,000.00 for Public Liability and $50,000.00 for Property Damage and also to name the City of Chicago as "Co-Insured" or "Additional Insured". Certificates renewing insurance must be furnished to the Department of Finance, Real Estate Division, no later than 30 days prior to expiration of policy.

SECTION 5. The permission and authority herein granted shall not be exercised until a permit authorizing same shall have been issued by the City Comptroller and upon the faithful observance and performance of all and singular the conditions and provisions of this ordinance, and conditioned further to indemnify, keep and save harmless the City of Chicago against all liabilities, judgments, costs, damages and expenses which may in any way come against said city in consequence of the permission given by this ordinance, or which may accrue against, be charged to or recovered from said city from or by reason or on account of any act or thing done or omitted or neglected to be done by the grantee in and about the construction, reconstruction, maintenance, use and removal of said structures or appliances and the restoration of the public ways as herein required. WHEREAS, The Ferdinand Wythe Peck Elementary School of the Board of Education of the City of Chicago, located at No. 3826 W. 58th Street, will be celebrating its 50th Anniversary in the Martin Hall, on Friday, May 21, 1976; and

WHEREAS, Ferdinand Wythe Peck, a prominent citizen of Chicago, earned a Law Degree at the Union College of Law of the University of Chicago, and although admitted to the Bar he never practiced law professionally. Mr. Peck was associated with the Board of Education of the City of Chicago in the capacity of Vice-President. He was also instrumental in raising monies for the founding of the Auditorium Theatre. It was in his honor that Peck Elementary School was named in September of 1925, the year that the School was built; and

WHEREAS, Peck Elementary School is situated in the community known as West Elsdon, whose history stems from the 1880's and the beginning of the Grand Trunk Railroad. The boundaries of the Peck School are approximately the Belt Line on the north, 63rd Street on the south, Central Park Avenue on the east and Keeler Avenue on the west. By 1920 the population grew and called for a school, therefore, the Peck Elementary School was constructed in 1925 at W. 58th Street and S. Springfield Avenue, and has served this community since that time. The School's first Principal was Miss Marie A. Martin and the initial enrollment was three hundred twenty four students; and

WHEREAS, In 1940, the population and industrialization of West Elsdon doubled, resulting in the need for more housing. Most of the homes are privately-owned-single-family-dwellings with a few multiple-dwelling buildings which were constructed in the 1960's. Originally, the community was populated by Croatians, but now it is one of mixed nationalities of middle-class; and

WHEREAS, Miss May C. Doyle is presently the Principal of the Peck Elementary School, staffed with eighteen teachers, in addition to Miss Mary Toomey, the Assistant Principal and Adjustment Teacher, a physical education instructor, a librarian, and three special education teachers. On a part-time basis, there is a nurse, a speech teacher, a teacher for the hard of hearing, a truant officer and a psychologist. The School is also served full time by many volunteer mothers. There is a Branch of the Peck Elementary School, namely, the Thomas Nelson Elementary School, located at No. 5051 S. Hamlin Avenue, which accommodates grades kindergarten through third, and is staffed by 2½ teachers and serves the primary school children living north of W. 55th Street; and

WHEREAS, It would seem that the community is one made up of hard-working people who value their properties and education as evidenced by the upkeep of their properties, the cooperation that they give to the School, and the good percentage of youngsters who go on to college. The School itself is very well run by both, a competent and conscientious principal and staff, who manifest their interest in the students as individuals and as a group through the various Peck School and community oriented programs that they sponsor and staff; and

WHEREAS, Today, the Peck Elementary School is one of the finest elementary schools in Chicago. This is due to the excellent leadership of Miss Doyle, the Principal, and Miss Toomey, the Assistant Principal. The faculty is a stable one and very few teachers leave. There is a close relationship between administrators and teachers which seems to be the reason for the School's smooth and excellent operation; now, therefore,

Be It Resolved, That the Mayor and the Members of the City Council of the City of Chicago, in meeting assembled this 26th day of May, A.D., 1976, on the occasion of the 50th Anniversary of the Ferdinand Wythe Peck Elementary School express their gratitude to the entire staff of the Peck Elementary School for their tireless efforts and fruitful hard labors expended on behalf of the students and for putting their talents to work to benefit the young people of the City of Chicago, and on behalf of the people of Chicago express their appreciation for their dedicated services to the students and people of the community of the Peck Elementary School; and

Be It Further Resolved, That a suitable copy of this Resolution be presented to the Principal of the Ferdinand Wythe Peck Elementary School.

Commendations Extended to Cook County Federal Savings and Loan Association.

A proposed resolution reading as follows:

WHEREAS, For over two decades, Cook County Federal Savings and Loan Association has been known throughout the community and the country as a center of Americanism; and

WHEREAS, Based on the fervent patriotic philosophy of its former president, the late Sidney L. DeLove, the institution was a storehouse of collections of early American documents, antique money, and such rarities as a fragment of the step George Washington stood upon when he took his first oath of office. Some of these collections were periodically on loan to museums, being the most complete of their kind; and

WHEREAS, Much of this Americana was housed within Cook County Federal's five thousand volume American History Library. Unique for a savings institution, an average of 1,000 students and teachers per month visited the facility for lectures, films, tours, and aid in school assignments. A favorite with these visitors were replicas of presidential birthplaces; and

WHEREAS, During a ten year period, the Association sponsored an annual essay contest for seventh and eighth grade students throughout the Chicago area. Themes for these essays were taken from different historical periods in American history. Winners—along with local teachers—were taken on an all-expense paid tour of important eastern United States historical sites, including Williamsburg, selected Civil War battlefields and Washington, D.C. The contest was expanded nationwide during its last four years; and

WHEREAS, Young adults who were former winners still write Cook County Federal to again express their thanks, and to attest to the impact these trips had on their lives; and

WHEREAS, In celebration of the Bicentennial, Cook County Federal Savings is continuing its program of distributing copies of the Declaration of Independence and the Bill of Rights to any student or teacher requesting them. Thousands of copies have already been given to local public schools, and the Association has received a letter of commendation from the Chicago Board of Education for its action; and

WHEREAS, A year-long celebration of our country's birth was started last July 4th by the President of Cook County Federal, Clayton L. Johnson, with a display of historical flags, each flag depicting a chapter from America's story; flag pins were also distributed; and

WHEREAS, Cook County Federal Savings plans a patriotic conclusion of this year's Fourth of July celebration, including the distribution of more copies of the Declaration of Independence and the Bill of Rights, flag displays in the lobby of the Association, and patriotic material for everyone who visits. It is only fitting that patriotism should continue to be fostered in a building once known as "Independence Hall of Chicago,"; now, therefore,

Be It Resolved, That the efforts over the years of Cook County Federal Savings and Loan Association, to foster the principles of patriotism and pride in our great nation, should be recognized by all Chicagoans and it is herewith commended by the Chicago City Council for its efforts in this Bicentennial year of our Nation; and

This Agreement, made and entered into this..... day of ....., 1976, by and between The City of Evanston, hereinafter called "Evanston", The City of Chicago, hereinafter referred to as "Chicago", both municipal corporations of Illinois, and The County of Cook, a body politic and corporate of the State of Illinois, hereinafter referred to as "County";

WITNESSETH:

Whereas,

A. The parties propose to improve Howard Street, a County highway maintained by Chicago, between Kedzie Avenue and Sheridan Road, as follows:

1. Channelization of the Howard Street intersections with the following California (Dodge,) Western (Asbury), Ridge and Damen (Custer) Avenues and Clark Street (Chicago Avenue) which will include "throat" widenings to provide separate left turn lanes, and associated parking meter and street identification sign relocations (Estimated Cost $200,000);

3. Resurfacing of the roadway from Kedzie Avenue to Sheridan Road, between the aforementioned intersectional improvements, under separate contract (Estimated cost $435,000), including:

   a. Heating, scarifying, planing and removing the existing asphalt surface with a heater-planer machine;

b. Replacing deteriorated base with Portland Cement Concrete;

c. Adjusting drainage structures;

d. Repairing or replacing sidewalk, curb and/or combination curb and gutter;

e. Resurfacing the planed areas with a spreading and finishing machine meeting requirements of the SSBRC, using a bituminous concrete surface course, Class I.

B. The corporate limits of Evanston and Chicago are contiguous along the center line of Howard Street from the west line of Section 25, Township 41 North, Range 5 East of the Third Principal Meridian to the centerline of N. Hermitage Avenue in Section 29, Township 41 North, Range 5 East;

C. Chicago presently maintains Howard Street from the aforementioned west line of Section 25 to West Rogers Avenue.

Now Therefore, the parties agree as follows:

1. Chicago shall prepare plans, specifications and cost estimates, contractors' proposals and contract documents for the improvement, without cost to the other parties.

2. Chicago, at County expense, will prepare plans, specifications and cost estimates for utility adjustments (water and electrical), including traffic control systems, fire alarm equipment, police telephones, street lighting, water distribution facilities and appurtenances to these items, and will make the necessary adjustments as force account work in accordance with the County-Chicago agreement for such work (Non-Federal projects).

3. County will contract for the improvement at County's expense. County's work under Whereas Clause A.3 will be under separate contract, County Section RCNG-1976 MFT.
The contract for channelization will include relocation of parking meters.

4. Chicago will have its Bureau of Electricity install, operate and maintain all traffic control signals and devices necessary at the intersections of Howard and California (Dodge), Howard and Western (Asbury), Howard and Ridge, Howard and Damen (Custer), and Howard and Clark (Chicago), conforming to applicable provisions of the State of Illinois Manual on Uniform Traffic Control Devices.

5. Evanston will assume one-half of the cost of electrical energy and maintenance necessary to operate the automatic traffic control signals installation at each of the five signalized intersections, from date of placing signals at any particular intersection of these five in operation to date of their removal from that intersection. Evanston and Chicago shall review these costs in the fifth year following placement of the last signalized intersection into operation, and after succeeding five year periods, to revise this cost sharing ration as they may mutually agree. Evanston and Chicago shall jointly own these signals and shall assume full responsibility for them, and for coordinating settings and timings.

6. Chicago will save and hold harmless Evanston from any and all liability, claims, damages and expenses that may result from the installation, operation, and maintenance of the traffic control signals at the five intersections named hereinbefore.

7. Evanston and Chicago will each save and hold each other harmless, and both will hold County harmless from any and all liability, claims, damages and expenses that may result from the construction by County of this improvement.

8. In the event new and improved signals and devices are available for purchase and installation, such new signals and devices may be installed by mutual agreement of Chicago and Evanston.

9. In the event any claim is made or suit filed against Evanston in consequence or as a result of any matter referring to said traffic signals, Evanston hereby agrees that it shall immediately forward to Chicago any and all demands, notices, summonses or other processes it may receive in order that Chicago may have notice thereof and take steps necessary or appropriate.

10. In the event of the relocation of any of the presently existing traffic and pedestrian control signals, or alterations thereof on Howard Street, between the limits of Kedzie Avenue and Hermitage Avenue, at the locations to be determined upon, whether in the present or in the future, Chicago and Evanston will share all cost and expenses involved.

11. After completion of the improvement, County, will remove Howard Street (Kedzie Avenue to Rogers Avenue) from the County Highway system. Upon removal Chicago will maintain the south half of pavement from Kedzie Avenue to Hermitage Avenue and the entire pavement from Hermitage Avenue to Sheridan Road, and Evanston will maintain the north half of pavement from Kedzie to Hermitage Avenue. Evanston and Chicago may elect to modify this sharing of maintenance by separate agreement.

12. Chicago's Bureau of Electricity forces will install, operate and maintain street lights at the Howard Street intersections with Dodge, Asbury, Ridge, Custer and Chicago Avenues. Evanston will pay to Chicago the cost of electric energy and maintenance necessary to the operation of these street lights, annually, at the actual costs for energy and maintenance. The actual cost of energy to be billed to Evanston will be the amount billed to Chicago by the Commonwealth Edison Company, and the cost of maintenance to be billed to Evanston based on actual maintenance performed by Chicago in the year preceeding the year in which these costs are billed.

13. This agreement shall become effective on the latest date of execution following and shall bind the parties, their successors and assigns.

In Witness Whereof, the parties hereto have caused this Agreement to be executed by their duly authorized officers and their Corporate Seals affixed hereto the day and year above written.

Action Deferred—ON PROPOSED ORDINANCE FOR DISAPPROVAL OF APPLICATION FOR PERMIT TO DEMOLISH "CHICAGO LANDMARK".

The Committee on Finance submitted the following report, which was, at the request of two aldermen present (Alderman Roti and Alderman Bilandic) *Deferred* and ordered published:

CHICAGO, June 7, 1976.

To the President and Members of the City Council:

Your Committee on Finance to which was referred on May 14, 1976 from the Commission on Chicago Historical and Architectural Landmarks a Report recommending the Disapproval of an Application for a Permit to Demolish a structure located in the Astor Street District, a "Chicago Landmark", commonly known as Nos. 14-22 E. Burton Place, the Robert W. Patterson House (Bateman School); and to which was introduced an Ordinance by Alderman Natarus denying said application for a permit, having had the same under advisement, begs leave to report and recommend that Your Honorable Body pass the proposed ordinance transmitted herewith.

This recommendation was concurred in by 24 members of the committee with 1 dissenting vote.

Respectfully submitted,
(Signed) MICHAEL A. BILANDIC,
Chairman.

The proposed ordinance transmitted with the foregoing committee report reads as follows:

Whereas, There has been created a Chicago Commission on Historical Landmarks; and

Whereas, The Commission on Historical Landmarks has responsibilities pursuant to Chapter 24-11-48.2-2 of the Municipal Code of Illinois and Chapter 21-64.1 and 21-64.2 of the Municipal Code of Chicago; and

Whereas, The Commission has the responsibility for recommending the adoption of Ordinances designating areas, places, buildings, structures, works of art and other objects having special historical, community, or aesthetic interest or value as "Chicago Landmarks", thereby necessitating their preservation, protection, enhancement, rehabilitation and perpetuation; and

Whereas, The Commission on Historical Landmarks use numerous criteria in making its recommendations as to "Chicago Landmarks"; and

Whereas, These criteria include the embodiment of distinguishing characteristics of an architectural type of specimen, its identification as the work of an architect or master builder whose individual work has influenced the development of the City of Chicago and its embodiment of elements of architectural design, detail, materials or craftsmanship which represent a significant architectural innovation; and

Whereas, The City Council of the City of Chicago on December 19, 1975 by Ordinance designated the Astor Street District as a "Chicago Landmark" for the following reasons:

"The Astor Street District contains many excellent examples of the architectural styles that were important during the late 19th and early 20th centuries and many persons significant in the history of Chicago made their homes along the street.

"The Astor Street District is probably foremost of our few equivalents of Beacon Hill or Georgetown, is a virtual outdoor museum, is a visible reminder of the builders of Chicago and their architects working at a domestic scale and is irreplaceable and of national significance.

"Astor Street has been the home of many people who contributed to the development of the City of Chicago, such as Potter Palmer, a major figure in the rebuilding of Chicago after the Great Fire in 1871; Joseph Medill, a former mayor of Chicago and editor of the Chicago Tribune, who built one of the most imposing residences on Astor Street as a wedding gift for his daughter and son-in-law; the Robert W. Pattersons; Cyrus Hall McCormick II; Joseph T. Ryerson; James Charnley; C. D. Peacock; Joseph T. Bowen; and William O. Goodman.

"There are other streets of town houses in Chicago, but few collections of such distinction and such history, and if there is any area in this city which deserves, by reason of its history, its natural heritage, its cultural value, and its architectural value to be preserved as a Chicago landmark, it is the Astor Street District, which has for so long been identified with the very best in Chicago.

"Astor Street is a showcase of architectural styles with Prairie Style residence by Frank Lloyd Wright, a Georgian Revival mansion by Stanford White, Second Empire Building by David Adler, town houses by John Root, Renaissance Revival buildings by Stanford White, Richardsonian Revival by Cobb and Frost, and buildings by Joseph Silsbee.

"The Commission has concluded that the Astor Street District is truly important to Chicago, and deserves to be preserved, protected, enhanced and perpetuated, and the Commissioner of Development and Planning of the City of Chicago and the City Council Committee on Cultural and Economic Development have concurred in the Commission's recommendation that the Astor Street District be designated as a Chicago Landmark; and

Whereas, The Department of Buildings of the City of Chicago forwarded to the Chicago Commission on Historical Landmarks on February 6, 1976, an "Application for Permit to Wreck Building or Structure". That application sought permission to demolish the structure at Nos. 14-22 E. Burton Place known as the Robert W. Patterson House (Bateman School). Said application was submitted by the Bateman School, Alice B. Craig, President, as owner, and Brandenburg Demolition, Inc., as wrecker; and

Whereas, The structure to be demolished is located in the Astor Street District which is a "Chicago Landmark", the Chicago Commission on Historical Landmarks held a special meeting on February 11, 1976, pursuant to Chapter 21, Section 21-64.1(c) of the Municipal Code at which meeting the Commission concluded that the proposed demolition would destroy a significant historical and architectural feature of the Astor Street District and would adversely affect other properties within the area and denied the application for a demolition permit in accordance with Chapter 21, Sections 21-64.1(a) through (c) of the Municipal Code of Chicago; and

Whereas, A public hearing was held on April 26, 1976 on the Application for Permit to Wreck the Patterson House (Bateman School) pursuant to Chapter 21, Section 21-64.1(a) of the Municipal Code of Chicago; and

Whereas, The Commission on Historical Landmarks, at a regular meeting of the Commission held on May 3, 1976, denied the Application for Permit to Wreck the Building at Nos. 14-22 E. Burton Place, Patterson House (Bateman School); and

Whereas, Pursuant to Chapter 21, Section 21-64.1(e) of the Municipal Code of Chicago the Chicago Commission on Historical Landmarks forwarded to the Committee on Finance of the City Council of the City of Chicago, on Friday, May 14, 1976, all materials, reports, transcripts, and communications pertaining to its denial of a demolition to the owners of the property located at Nos. 14-22 E. Burton Place, Patterson House (Bateman School) which was designed by Stanford White and is in the Astor Street District; and

Whereas, The Committee on Finance of the City Council of the City of Chicago pursuant to Chapter 21, Section 21-64.1(g) of the Municipal Code of Chicago gave prompt consideration to said disapproval of the Application to wreck the building at Nos. 14-22 E. Burton Place, Patterson House (Bateman School) and held hearings on the matter on May 24, 1976 and June 7, 1976; and

Whereas, The Committee on Finance of the City Council of the City of Chicago concurred in the recommendation of the Chicago Commission on Historical Landmarks; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

Section 1. The application for permit to demolish the building located at Nos. 14-22 E. Burton Place, Patterson House (Bateman School) located in the Astor Street District is herewith denied pursuant to Chapter 21, Section 21-64.1(g) of the Municipal Code of Chicago.

Section 2. This ordinance shall take effect on and after its due passage and publication.

In the event of any claims made or suits filed, Lessor shall give Lessee prompt written notice thereof and Lessee shall have the right to defend or settle the same to the extent of its interest hereunder.

9. *Abandonment.* Lessee shall not vacate or abandon the premises at any time during the term hereof, and if the Lessee shall so vacate or abandon, any property of the Lessee left on the premises shall be deemed to have been abandoned and may either be retained by the Lessor as its property or may be disposed of at public or private sale as the Lessor sees fit. If any such property of the Lessee or any part thereof is sold at public or private sale or retained by the Lessor, the proceeds of any such sale or the then current fair market value of the property, as the case may be, shall be applied by Lessor against Lessor's expenses of removal, storage or sale, the arrears of rent or future rent payable hereunder and any other damages to which the Lessor may be entitled hereunder.

10. *Bankruptcy of Lessee.* In the event Lessee shall file a voluntary petition in bankruptcy, make assignment for the benefit of creditors of all or substantially all of its assets, or fail to secure dismissal of an involuntary petition in bankruptcy within sixty (60) days after the filing thereof, then Lessor may terminate this lease upon five (5) days' written notice to Lessee.

11. *Default of Lessee.* If the Lessee shall refuse, neglect or fail to perform, observe and keep any of the covenants, agreements, terms or conditions contained herein on its part to be performed, observed and kept and such refusal, neglect or failure shall continue for a period of thirty (30) days after written notice to Lessee by Lessor thereof (except in the case of non-payment of rent wherein if such failure, neglect or refusal shall continue for a period of five (5) days after written notice to Lessee from Lessor), then Lessor may enter into and upon the said premises and repossess the same as of the former estate of the Lessor and expel the Lessee and those claiming under and through it and remove Lessee's effects (forcibly if necessary) without being deemed guilty of trespass and without prejudice to any and all rights and remedies for arrears of rent or breach of covenant. Upon entry as aforesaid, this lease shall terminate; provided, however, that Lessee shall remain liable to Lessor for damages suffered by Lessor including, but not limited to, unavoidable loss of rent for the remainder of the term incurred as a result of such termination.

Lessor's waiver of any default or breach by Lessee hereunder, including acceptance of rent, shall not be deemed a waiver by Lessor of any subsequent default or breach by Lessee hereunder.

12. *Default of Lessor.* If the Lessor shall refuse, neglect or fail to perform or observe any of the covenants, agreements, terms or conditions contained herein on its part to be performed, observed and kept for a period of thirty (30) days after written notice to Lessor by Lessee, then Lessee may terminate this lease and vacate the premises without further liability to Lessor for rent hereunder; provided, however, that Lessor shall remain liable to Lessee for damages suffered by Lessee as a result thereof.

Lessee's waiver of any default or breach by Lessor hereunder shall not be deemed a waiver by Lessee of any subsequent default or breach by Lessor hereunder.

13. *Assignment, Encumbrances and Subletting.* Lessee shall not assign, pledge, mortgage or otherwise encumber this lease or the premises covered thereby. Lessee shall not sublet the premises or any part thereof without the prior written consent of the Lessor first had and obtained.

It is understood that consent of the Lessor to any subletting in one instance shall not constitute consent of the Lessor to any other subletting.

14. *Holding Over.* If the Lessee continues in possession of the premises after the term of this lease has expired, Lessee shall, at the option of Lessor, become a tenant from month to month under and upon the covenants, agreements, terms and conditions herein set forth. Any such holdover tenancy may be terminated by either Lessor or Lessee upon the giving of not less than thirty (30) days' prior written notice of intention to terminate from one party to the other party hereunder.

15. *Surrender of Premises.* Upon termination of this lease by lapse of time or otherwise, Lessee shall remove itself and all trade fixtures, furnishings, property, equipment or machinery installed or placed by Lessee in and upon said premises; provided, that Lessee shall, at its own expense, repair any damage occasioned by such removal. Lessee shall upon termination of this lease surrender the premises to Lessor in the same condition as received (except for alterations, changes, or additions consented to by Lessor), ordinary wear and tear, loss, damage, or destruction by earthquake, flood, fire, riots, insurrection, the public enemy, the elements, acts of God or other conditions or causes above and beyond the control of Lessee being excepted.

16. *Rules and Regulations.* Lessee shall faithfully observe and comply with reasonable rules and regulations of the Lessor, not inconsistent with the provisions of this lease, promulgated hereunder and communicated in writing to Lessee, necessary for the reputation, safety, care or appearance of the Building, or the preservation of good order, the operation or maintenance of equipment or the comfort of other tenants therein.

17. *Successors.* The terms, covenants, agreements and conditions herein contained shall apply to and be binding upon the heirs, successors, executors, administrators and assigns of the parties hereto, provided, however, that this provision shall not in any way affect the requirements set forth in Section 13 hereof.

18. *Damage or Destruction of Premises.* If the premises or the Building shall be so damaged or destroyed by fire, flood, earthquake, the elements, casualty, war, riot, public disorder, acts authorized or unauthorized on the part of the Government or any other cause or happening so as to render the premises untenantable, this lease shall terminate and any unearned rent paid in advance shall be refunded to Lessee.

In the event of partial damage or destruction of the premises or the Building, the same shall be promptly restored by Lessor to their previous condition and a just portion of the rent, to the extent, if any, that the premises have been rendered untenantable, shall abate until the premises or the Building have been so restored. Lessor may elect by notice in writing to Lessee, within thirty (30) days of such partial damage or destruction, to restore the premises or the Building and if the Lessor fails to make such election, or having done so, fails to effect restoration within a reasonable time, Lessee may cancel and terminate this lease upon not less than five (5) days' written notice to Lessor.

19. *Signs.* Lessee shall not erect, install or place any signs on or about the demised premises without Lessor's prior written approval.

20. *Ingress and Egress.* Lessee, its employees, visitors and suppliers of material and services shall have full and free rights of ingress and egress to and from the premises and to and from the Building subject to rules and regulations of the Lessor as herein provided.

21. *Notices.* All notices given or required herein shall be deemed sufficient if sent United States mail, postage prepaid, to the addresses of the Lessor and the Lessee specified in this lease, unless either party hereto shall specify to the other party a different address for the giving of such notice.

22. *Endorsements to Supersede.* In the event of a conflict between any Endorsement and other provisions of this lease, it is understood and agreed that the Endorsement shall supersede and control.

23. *Quiet Enjoyment.* So long as Lessee performs and observes all of the covenants, agreements, terms and conditions hereof on the part of Lessee to be performed and observed, Lessor covenants that Lessee shall peacefully have and enjoy the premises without hindrance or molestation by Lessor or those claiming under it or by any other person lawfully claiming the same.

Miscellaneous Provisions

1. It is expressly agreed and understood that the following enumerated sections set forth in the Standard Terms and Provisions of this agreement are hereby deleted and canceled in their entirety:

5. *Services Furnished by Lessor*

7. *Care by Lessor*

2. Lessee hereunder shall have the right to its proportionate share of the use of the loading docks adjacent to the leased premises on the same basis as granted to Lessor herein under the terms of Lessor's basic lease of said premises with the City of Chicago dated January 1, 1959.

3. This lease, being a sublease, is subject to all the terms and conditions of the basic lease between United Air Lines, Inc. (as assumed from Capital Airlines, Inc., effective June 1, 1961) and the City of Chicago, dated January 1, 1959; and in the event said basic lease is terminated, this lease shall terminate concurrently therewith.

Said payment is to be computed on landing fees, but not parking fees, then in effect as outlined in Chapter 37 of the Municipal Code of the City of Chicago.

Lessee agrees that it shall keep and maintain records of all landings made at Chicago-O'Hare International Airport, Chicago Midway Airport and Merrill C. Meigs Field, in form as approved by the Comptroller of the City of Chicago (Room 501—City Hall, 121 N. Landing fees shall not be assessed for any landing of a ferry flight between Chicago-O'Hare International Airport and the other City owned Airports, or for any landing of an aircraft returning to the airport from which it took off because of meteorological conditions, mechanical or operating causes, or any similar emergency of precautionary reason.

Since Chicago-O'Hare International Airport landing fee is subject to change every calendar half-year, the Commissioner shall advise Lessee of the specific fee to be in effect at Chicago-O'Hare International Airport for each such period, at least fifteen (15) days in advance of such period.

Whereas, the State and the City, in the interests of the safe and efficient movement of vehicular and pedestrian traffic, find it necessary to improve N. 2. To prepare surveys, plans, specifications and cost estimates for the removal, relocation, replacement and adjustment of City utilities, traffic signals, publicly-owned communication systems, street lighting, traffic control devices, and water distribution facilities; all of which are necessary as a part of the improvement, and to perform all such field work on a force account basis, in accordance with established procedures of the City, the State, and the Federal Highway Administration.

7. To maintain a competent traffic engineering unit to accomplish the proper operation and maintenance of the traffic engineering features of the improvement (the Bureau of Street Traffic, Department of Streets and Sanitation, presently constitutes this unit).

8. To maintain and enforce the traffic regulations necessary for the proper operation of the completed improvement.

9. That failure on the part of the City to fulfill the responsibilities assigned in paragraphs 6, 7, and 8 will render the City ineligible for future Federal participation in projects for which the City has similar responsibilities, until such time as any deficiencies are corrected.

10. The City will, in the conduct of its work, comply with all applicable Executive Orders and Federal Highway Acts pursuant to the Equal Employment and Non-Discrimination Regulations.

Now Therefore, the State agrees:

11. To let and award contract for the work upon concurrence by the City and FHWA in accordance with established procedures of the State and the Federal Highway Administration.

12. To provide construction supervision.

13. To reimburse the City one-hundred percent (100%) of the City's share of the cost of the preliminary engineering estimated in paragraph 18 of this agreement and to deposit said reimbursement in the City's Motor Fuel Tax Fund upon receipt of billing supported by documentation as required by the State and the Federal Highway Administration.

14. To reimburse to the City one-hundred percent (100%) of the State's share (both State and

Federal Aid) of the cost of the Force Account Construction subject to normal billing and audit procedures described herein.

15. To review and submit to the Federal Highway Administration, without delay, all submittals which require FHWA review, approval, or other action.

Now Therefore, the parties hereto Mutually agree:

16. The Federal portion of this improvement estimated in paragraph 18 of this agreement will be programmed with FHWA from funds available to the City from funds apportioned to the State for the improvement of the Federal-Aid Urban System.

17. That prior to the State advertising for work to be performed hereunder, the disposition of encroachments will be cooperatively determined by representatives of the City, the State, and the Federal Highway Administration.

Your Committee on Finance, to which was referred a communication from the Office of the Mayor dated June 9, 1976 transmitting a proposed ordinance creating a new Chapter 114.1 of the Municipal Code of Chicago to be known as "Chicago Community Banking Ordinance", having had the same under advisement, begs leave to report and recommend that Your Honorable Body pass the proposed substitute ordinance transmitted herewith.

This recommendation was concurred in by 16 members of the committee with three dissenting votes.

Respectfully submitted,
(Signed) Michael A. Bilandic,
Chairman.

The proposed ordinance transmitted with the foregoing committee report reads as follows:

Whereas, Article VII, Section 6(a), of the Illinois Constitution gives home rule units the authority to "exercise any power and perform any function pertaining to its government and affairs including, but not limited to, the power to regulate for the protection of the public health, safety, morals and welfare; to license; to tax; and to incur debt"; and

Whereas, In proposing that provision to the Illinois Constitutional Convention, the Committee on Local Government said that this grant of powers is "designed to ensure that the specified counties and cities receive directly under the Constitution the broadest possible range of powers to deal with problems facing them and with demands that are made upon them by their residents and by the greater society"; and

Whereas, The need for complete and convenient banking services is clearly demanded by the City of Chicago and its people, and such services are essential for the continued economic growth of the City, and the City Council finds that the City of Chicago's need for complete and convenient banking services is not being fulfilled and that it is within the powers of the City government to see to it that there are adequate banking facilities available to serve the needs of Chicago's citizens; and

Whereas, Accordingly, the establishment and operation of community offices and electronic banking machines by banks will benefit the City of Chicago and its residents by making basic banking services, including credit, more convenient and available upon reasonable terms to greater numbers of residents and business organizations; and

Whereas, The City Council of the City of Chicago therefore desires to permit the establishment and operation of community offices and electronic banking machines by banks within the corporate limits of the City of Chicago under the powers granted to the City of Chicago as a home rule unit under Article VII, Section 6, of the Constitution of the State of Illinois; now, therefore,

Be it Ordained by the City Council of the City of Chicago:

Section 1. The Municipal Code of the City of Chicago is hereby amended pursuant to the provisions of the Illinois Constitution of 1970 by adding a new chapter thereto, to be known as "Chicago Community Banking Ordinance," and to be denominated 114.1, as follows:

114.1-1. For the purpose of this chapter, whenever any of the following words, terms or definitions are used herein, they shall have the meaning ascribed to them in this section:

b) "Community Office" means any office maintained by a bank separate and apart from its main office, at which office such bank

1) solicits loans for such bank,

3) answers customers' inquiries concerning any business which such customers have with the bank, or
4) furnishes advice to customers concerning any of their business with such bank.

c) "Electronic Banking Machine" shall mean any mechanical device not operated by a bank employee, such as an automatic teller or point of sale terminal by means of which

2) transfers of funds may be made from one

account at such bank to another account at such bank

3) cash may be withdrawn from any account at such bank

4) the proceeds of loans from such bank may be disbursed

5) bills of such bank or of third parties may be paid by debiting any account at such bank, or

6) the balance in any account at such bank may be ascertained.

114.1-2. Subject to the provisions of Section 114.1-3, it shall be lawful for any bank to establish and maintain no more than six community offices and any number of electronic banking machines within the corporate limits of the City of Chicago.

114.1-3. No bank shall establish or maintain a community office or electronic banking machine within the corporate limits of the City of Chicago without first filing a notice with the City Clerk, signed by the bank's chief executive officer, such notice to be filed at least 30 days prior to the proposed date of commencement of business of such community office or commencement of operation of such electronic banking machine.

Such notice shall state the name of the bank and set forth the proposed service area of the community office or electronic banking machine, and shall further certify the nature of the activities to be carried on at the community office or of the transactions which will be available at the electronic banking machine. A copy of the bank's charter together with the certification of chartering authority that the bank is validly organized and in good standing shall be attached to such notice.

114.1-4. Electronic banking machines may be operated

a) at a community office, or

b) separately at another location or premises.

114.1-5. There is hereby levied and imposed upon the privilege of using any electronic banking machine in the City of Chicago a tax of one-tenth of one cent (1/10 of 1¢) upon each deposit, withdrawal, or transfer between accounts effected by such electronic banking machine. The ultimate incidence of and liability for payment of said tax is to be borne by the person who uses an electronic banking machine by making a deposit, a withdrawal, or a transfer between accounts. Such tax shall be collected by the bank operating the electronic banking machine. Such bank shall file tax returns showing tax receipts received with respect to each electronic banking machine during each three month period ending on March 31, June 30, September 30 and December 31 of each year. At the time of filing said tax returns, the bank shall pay to the Department of Revenue all taxes due for the period to which the tax return applies.

Section 2. If any provision of this ordinance, or the application thereof to any person or circumstance, is held invalid, the remainder of this ordinance and the application of such provisions to other persons or circumstances shall not be affected thereby.

Section 3. This ordinance shall be in full force and effect from and after its due passage and publication.

The following is said ordinance as passed:

WHEREAS, There has been created a Chicago Commission on Historical Landmarks; and

WHEREAS, The Commission on Historical Landmarks has responsibilities pursuant to Chapter 24-11-48.2-2 of the Municipal Code of Illinois and Chapter 21-64-.1 and 21-64-.2 of the Municipal Code of Chicago; and

WHEREAS, The Commission has the responsibility for recommending the adoption of Ordinances designating areas, places, buildings, structures, works of art and other objects having special historical, community, or aesthetic interest or value as "Chicago Landmarks", thereby necessitating their preservation, protection, enhancement, rehabilitation and perpetuation; and

WHEREAS, The Commission on Historical Landmarks use numerous criteria in making its recommendations as to "Chicago Landmarks"; and

WHEREAS, These criteria include the embodiment of distinguishing characteristics of an architectural type of specimen, its identification as the work of an architect or master builder whose individual work has influenced the development of the City of Chicago and its embodiment of elements of architectural design, detail, materials or craftsmanship which represent a significant architectural innovation; and

WHEREAS, The City Council of the City of Chicago on December 19, 1975 by Ordinance designated the Astor Street District as a "Chicago Landmark" for the following reasons:

"The Astor Street District contains many excellent examples of the architectural styles that were important during the late 19th and early 20th centuries and many persons significant in the history of Chicago made their homes along the Street.

"The Astor Street District is probably foremost of our few equivalents of Beacon Hill or Georgetown, is a virtual outdoor museum, is a visible reminder of the builders of Chicago and their architects working at a domestic scale and is irreplaceable and of national significance.

"Astor Street has been the home of many people who contributed to the development of the City of Chicago such as Potter Palmer, a major figure in the rebuilding of Chicago after the Great Fire in 1871; Joseph Medill, a former mayor of Chicago and editor of the Chicago Tribune, who built one of the most imposing residences on Astor Street as a wedding gift for his daughter and son-in-law; the Robert W. Pattersons; Cyrus Hall McCormick II; Joseph T. Ryerson; James Charnley; C.D. Peacock; Joseph T. Bowen; and William O. Goodman.

"There are other streets of town houses in Chicago, but few collections of such distinction and such history, and if there is any area in the city which deserves, by reason of its history, its natural heritage, its cultural value and its architectural value to be preserved as a Chicago landmark, it is the Astor Street District, which has for so long been identified with the very best in Chicago.

"Astor Street is a showcase of architectural styles with Prairie Style residence by Frank Lloyd Wright, a Georgian Revival Mansion by Stanford White, Second Empire Building by David Adler, town houses by John Root, Renaissance Revival buildings by Stanford White, Richardsonian Revival by Cobb and Frost, and buildings by Joseph Silsbee.

"The Commission has concluded that the Astor Street District is truly important to Chicago and deserves to be preserved, protected, enhanced and perpetuated, and the Commissioner of Development and Planning of the City of Chicago and the City Council Committee on Cultural and Economic Development have concurred in the Commission's recommendation that the Astor Street District be designated as a Chicago Landmark; and

WHEREAS The Department of Buildings of the City of Chicago forwarded to the Chicago Commission on Historical Landmarks on February 6, 1976, an "Application for Permit to Wreck Building or Structure". That application sought permission to demolish the structure at Nos. 14-22 E. Burton Place know as the Robert W. Patterson House (Bateman School). Said application was submitted by the Bateman School, Alice B. Craig, President, as owner, and Brandenburg Demolition, Inc., As wrecker; and

WHEREAS, The structure to be demolished is located in the Astor Street District which is a "Chicago Landmark", the Chicago Commission on Historical Landmarks held a special meeting on February 11, 1976, pursuant to Chapter 21, Section 21-64.1 (c) of Municipal Code at which meeting the Commission concluded that the proposed demolition would destroy a significant historical architectual feature of the Astor Street District and would adversely affect other properties within the area and denied the application for a demolition permit in accordance with Chapter 21, Sections 21-64.1 (a) through (c) of the Municipal Code of Chicago; and

WHEREAS, A public hearing was held on April 26, 1976 on the Application for Permit to Wreck the Patterson House (Bateman School) pursuant to Chapter 21, Section 21-64.1(a) of the Municipal Code of Chicago; and

WHEREAS, The Commission on Historical Landmarks, at a regular meeting of the Commission held on May 3, 1976, denied the Application for Permit to Wreck the Building at Nos. 14-22 E. Burton Place, Patterson House (Bateman School); and

WHEREAS, Pursuant to Chapter 21, Section 2164.1(e) of the Municipal Code of Chicago the Chicago Commission on Historical Landmarks forwarded to the Committee on Finance of The City Council of the City of Chicago, on Friday, May 14, 1976, all materials, reports, transcripts, and communications pertaining to its denial of a demolition permit to the owners of the property located at Nos. 14-22 E. Burton Place, Patterson House (Bateman School) which was designed by Stanford White and is in the Astor Street District; and

WHEREAS, The Committee on Finance of the City Council of the City of Chicago pursuant to Chapter 21, Section 21-64.1(g) of the Municipal Code of Chicago gave prompt consideration to said disapproval of the Application to wreck the building at Nos. 14-22 E. Burton Place, Patterson House (Bateman School) and held hearings on the matter on May 24, 1976 and June 7, 1976; and

WHEREAS, The Committee on Finance of the City Council of the City of Chicago concurred in the recommendation of the Chicago Commission on Historical Landmarks; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

DESCRIPTION OF WORK, INSTRUCTIONS AND SPECIAL CONDITIONS

The cooperative agreement between the City of Chicago and the National Ocean Survey (NOS) provides for the reconnaissance for coverage of main-scheme horizontal geodetic control over the City of Chicago. The geodetic surveys will be planned to meet the specifications for first-order accuracy and spacing as described in the "Classification, Standards of Accuracy, and General Specifications of Geodetic Control Surveys." These first-order horizontal stations (about 40) will be established at approximately four-mile intervals with primary consideration being given to required locations of the City.

The NOS will also assist the City in locating points for subsidiary stations up to an average of three at each of the main-scheme station locations. Two personnel from the NOS will be engaged in this work, and it would be desirable that one to two personnel from the City of Chicago work closely with them in selection of the main-scheme and subsidiary points. The City also agrees to assist the NOS in obtaining permission to place the towers needed and the monumented points on public and private property. The City will designate an individual to maintain liaison with the NOS party chief during the project. The estimated cost to the City and to the NOS for this program is $20,000, and the City agrees to reimburse the NOS for 50 percent of this cost or approximately $10,000. The billing will be based on the actual cost incurred.

☒ CONTINUED ON REVERSE

Unless otherwise specified capital equipment purchased under the terms of this Agreement will become the property of NOAA upon completion of this project.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Commissioner of Aviation and the City Comptroller, subject to the approval of the Corporation Counsel as to form and legality, are authorized to execute a Consent to the attached amendment to sublease agreement between Trans World Airlines, Inc., and Burlington Northern Air Freight, Inc., as authorized by ordinance passed by the City Council on March 22, 1974 (C.J.P. pp. 7894 - 7896), for the sublease of certain premises at Chicago-O'Hare International Airport.

1. In lieu of the terms of Section 1. of the Sublease Agreement, the following terms shall be deemed to be inserted in and shall apply to the Sublease Agreement:

1. TWA hereby subleases to Burlington and Burlington hereby hires and takes from TWA, effective as of July 1, 1975, the cargo, office and storage space more specifically identified on Exhibit B attached hereto and made a part hereof (hereinafter called the "Premises") to be used in the conduct of Burlington's air cargo transportation business. Burlington shall not be entitled to use or occupy any other portion of premises leased to TWA under the Main Lease. TWA's General Manager-Cargo Sales and Services at ORD shall, subject to the provisions of Section 1.02 of the Main Lease, designate the ingress/egress route that Burlington, its officers, employees, agents, customers, suppliers, contractors and invitees may use to move to and from the Premises. TWA may change said route upon 15 days' notice in advance to Burlington's local manager on the Premises; it is agreed, however, that TWA shall not select an ingress/egress route that will impose undue restraints on Burlington's normal operations, the intent being that TWA shall have the right to insure that Burlington's operations will not interfere with TWA's normal operations.

2. In lieu of the terms of Section 3. of the Sublease Agreement, the following terms shall be deemed to be inserted in and shall apply to the Sublease Agreement:

The Sublease Agreement is hereby renewed, subject to such terms and conditions as the City of Chicago may impose, for a term of two (2) years which shall be deemed to have commenced as of July 1, 1975 and shall expire June 30, 1977, subject, however, to earlier termination by either party giving written notice to the other of its intent to terminate, not less than six (6) months in advance of the termination date.

3. ALTERATIONS. Lessee shall make no changes, alterations, additions or improvements, or do any work in connection therewith in, on or about the premises without the prior written consent of the Lessor.

4. ENTRY AND INSPECTION. Lessor shall have the right to enter upon and inspect the premises from time to time during the term hereof and, upon reasonable notice to Lessee, to make any repairs deemed necessary by the Lessor without abatement of rent; provided, however, that Lessor shall not, during the course of any such inspection or repairs, unreasonably interfere with the Lessee's use and enjoyment of the premises.

During the last thirty (30) days of the term hereof Lessor shall have the right to exhibit the premises and to place "To Let" signs in, on and about the premises.

5. SERVICES FURNISHED BY LESSOR. The Lessor shall furnish adequate water, heat and electricity for lighting purposes. In addition, the Lessor shall furnish elevator and other Building services to Lessee, its employees and invitees to the extent that elevator and such other Building services are available to other tenants of the Building and are a necessary or desirable incident to Lessee's use and enjoyment of the premises.

Lessor assumes no liability to Lessee for failures or interruptions of any and all services or utilities furnished to Lessee hereunder when due to causes beyond the control of Lessor including but not limited to floods, fire and power failures.

6. CARE OF PREMISES BY LESSEE. Lessee shall keep the premises in a safe, neat, clean and presentable condition at all times and promptly repair any damage occasioned by Lessee, its agents, servants, employees or invitees.

7. CARE BY LESSOR. Lessor shall keep the Building in a safe, neat, clean and presentable condition, making all structural repairs thereto and performing all maintenance thereof required to keep the premises in a tenantable condition.

8. INDEMNITY. Lessee shall indemnify the Lessor from and against any and all claims, demands, causes of action, suits or judgments (including costs and expenses incurred in connection therewith) for deaths or injuries to persons or for loss of or damage to property arising out of or in connection with the use and occupancy of the premises by Lessee, its agents, servants, employees or invitees and not caused by Lessor's negligence. In the event of any claims made or suits filed, Lessor shall give Lessee prompt written notice thereof and Lessee shall have the right to defend or settle the same to the extent of its interest hereunder.

9. ABANDONMENT. Lessee shall not vacate or abandon the premises at any time during the term hereof, and if the Lessee shall so vacate or abandon, any property of the Lessee left on the premises shall be deemed to have been abandoned and may either be retained by the Lessor as its property or may be disposed of at public or private sale as the Lessor sees fit. If any such property of the Lessee or any part thereof is sold at public or private sale or retained by the Lessor, the proceeds of any such sale or the then current fair market value of the property, as the case may be, shall be applied by Lessor against Lessor's expenses of removal, storage or sale, the arrears of rent or future rent payable hereunder and any other damages to which the Lessor may be entitled hereunder.

10. BANKRUPTCY OF LESSEE. In the event Lessee shall file a voluntary petition in bankruptcy, make assignment for the benefit of creditors of all or substantially all of its assets, or fail to secure dismissal of an involuntary petition in bankruptcy within sixty (60) days after the filing thereof, then Lessor may terminate this lease upon five (5) days' written notice to Lessee.

11. DEFAULT OF LESSEE. If the Lessee shall refuse, neglect or fail to perform, observe and keep any of the covenants, agreements, terms or conditions contained herein on its part to be performed, observed and kept and such refusal, neglect or failure shall continue for a period of thirty (30) days after written notice to Lessee by Lessor thereof (except in the case of non-payment of rent wherein if such failure, neglect or refusal shall continue for a period of five (5) days after written notice to Lessee from Lessor), then Lessor may enter into and upon the said premises and repossess the same as of the former estate of the Lessor and expel the Lessee and those claiming under and through it and remove Lessee's effects (forcibly if necessary) without being deemed guilty of trespass and without prejudice to any and all rights and remedies for arrears of rent or breach of covenant. Upon entry as aforesaid, this lease shall terminate; provided, however, that Lessee shall remain liable to Lessor for damages suffered by Lessor including, but not limited to, unavoidable loss of rent for the remainder of the term incurred as a result of such termination. Lessor's waiver of any default or breach by Lessee hereunder, including acceptance of rent, shall not be deemed a waiver by Lessor of any subsequent default or breach by Lessee hereunder.

12. DEFAULT OF LESSOR If the Lessor shall refuse, neglect or fail to perform or observe any of the covenants, agreements, terms or conditions contained herein on its part to be performed, observed and kept for a period of thirty (30) days after written notice to Lessor by Lessee, then Lessee may terminate this lease and vacate the premises without further liability to Lessor for rent hereunder; provided, however, that lessor shall remain liable to Lessee for damages suffered by Lessee as a result thereof. Lessee's waiver of any default or breach by Lessor hereunder shall not be deemed a waiver by Lessee of any subsequent default or breach by Lessor hereunder.

13. ASSIGNMENT, ENCUMBRANCES AND SUBLETTING. Lessee shall not assign, pledge, mortgage or otherwise encumber this lease or the premises covered thereby. Lessee shall not sublet the premises or any part thereof without the prior written consent of the Lessor first had and obtained. It is understood that consent of the Lessor to any subletting in one instance shall not constitute consent of the Lessor to any other subletting.

14. HOLDING OVER. If the Lessee continues in possession of the premises after the term of this lease has expired, Lessee shall, at the option of Lessor, become a tenant from month to month under and upon the covenants, agreements, terms and conditions herein set forth. Any such holdover tenancy may be terminated by either Lessor or Lessee upon the giving of not less than thirty (30) days' prior written notice of intention to terminate from one party to the other party hereunder.

15. SURRENDER OF PREMISES. Upon termination of this lease by lapse of time or otherwise, Lessee shall remove itself and all trade fixtures, furnishings, property, equipment or machinery installed or placed by Lessee in and upon said premises; provided, that Lessee shall, at its own expense, repair any damage occasioned by such removal. Lessee shall upon termination of this lease surrender the premises to Lessor in the same condition as received (except for alterations, changes, or additions consented to by Lessor), ordinary wear and tear, loss, damage, or destruction by earthquake, flood, fire, riots, insurrection, the public enemy, the elements, acts of God or other conditions or causes above and beyond the control of Lessee being excepted.

16. RULES AND REGULATIONS. Lessee shall faithfully observe and comply with reasonable rules and regulations of the Lessor, not inconsistent with the provisions of this lease, promulgated hereunder and communicated in writing to Lessee, necessary for the reputation, safety, care or appearance of the Building, or the preservation of good order, the operation or maintenance of equipment or the comfort of other tenants therein.

17. SUCCESSORS. The terms, covenants, agreements and conditions herein contained shall apply to and be binding upon the heirs, successors, executors, administrators and assigns of the parties hereto, provided, however, that this provision shall not in any way affect the requirements set forth in Section 13 hereof.

18. DAMAGE OR DESTRUCTION OF PREMISES. If the premises or the Building shall be so damaged or destroyed by fire, flood, earthquake, the elements, casualty, war, riot, public disorder, acts authorized or unauthorized on the part of the Government or any other cause or happening so as to render the premises untenantable, this lease shall terminate and any unearned rent paid in advance shall be refunded to Lessee.

In the event of partial damage or destruction of the premises or the Building, the same shall be promptly restored by Lessor to their previous condition and a just portion of the rent, to the extent, if any, that the premises have been rendered untenantable, shall abate until the premises or the Building have been so restored. Lessor may elect by notice in writing to Lessee, within thirty (30) days of such partial damage or destruction, to restore the premises or the Building and if the Lessor fails to make such election or, having done so, fails to effect restoration within a reasonable time, Lessee may cancel and terminate this lease upon not less than five (5) days' written notice to Lessor.

19. SIGNS. Lessee shall not erect, install or place any signs on or about the demised premises without Lessor's prior written approval.

20. INGRESS AND EGRESS. Lessee, its employees, visitors and suppliers of material and services shall have full and free rights of ingress and egress to and from the premises and to and from the Building subject to rules and regulations of the Lessor as herein provided.

21. NOTICES. All notices given or required herein shall be deemed sufficient if sent United States mail, postage prepaid, to the addresses of the Lessor and the Lessee specified in this lease, unless either party hereto shall specify to the other party a different address for the giving of such notice.

22. ENDORSEMENTS TO SUPERSEDE. In the event of a conflict between any Endorsement and other provisions of this lease, it is understood and agreed that the Endorsement shall supersede and control.

23. QUIET ENJOYMENT. So long as Lessee performs and observes all of the covenants, agreements, terms and conditions hereof on the part of Lessee to be performed and observed, Lessor covenants that Lessee shall peacefully have and enjoy the premises without hindrance or molestation by Lessor or those claiming under it or by any other person lawfully claiming the same.

Brink's further agrees to furnish the City of Chicago with evidence of insurance of the type and in amounts as may be requested by the City of Chicago but not in excess of such insurance as is required under the Main Lease.

B. Parties affected have timely notice (actual or constructive) of the terms thereof.

5. This Chapter shall not be construed as giving authority to any agency to give, sell or provide access to lists of individuals requested for commercial purposes, and agencies shall not do so unless specifically authorized or directed by law.

6. All persons having custody or control of any public record shall exercise due diligence and care in preserving the public record for a period of at least ten years from the date on which the public record was made.

26.1-6. *Agencies to Adopt Rules.* Agencies shall provide for the fullest assistance to inquirers and the most timely possible action on requests for information.

26.1-7. *Agencies to Provide Assistance.*

1. Each agency shall publish or prominently display at its central office a directory designating by names, titles, addresses and telephone numbers of all officers and employees of the agency to whom requests for information and records may or should be directed and who shall have an affirmative duty to assist applicants to locate the records which they wish to see.

2. No agency shall require the use of standard forms for making requests for public records, but a standard form may be offered as an optional aid. Any written request which identifies a public record sufficiently for the purpose of finding it shall be acceptable.

26.1-8. *Categorical Requests.* Requests calling for all records falling within a reasonably specific category shall be complied with.

26.1-9. *Procedures for Inspection and Copying.*

1. Agency facilities shall be made available to any member of the public for the copying of public records.

2. Public records shall be available for inspection and copying during the customary office hours of the agency: Provided, that if the agency does not have customary office hours of at least thirty hours per week, the public records shall be available from nine o'clock a.m. to noon and from one o'clock p.m. to four o'clock p.m. Monday through Friday, excluding legal holidays, unless the person making the request and the agency or the agency's representative agree on a different time.

3. No fee shall be charged for the inspection of public records. Agencies may impose a reasonable charge for providing copies of public records and for the use by any person or agency of equipment to copy public records, which charges shall not exceed the amount necessary to reimburse the agency for its actual costs incident to such copying, but such charge shall be uniform and shall not exceed the going commercial rate, even where such charges would not cover all costs incurred by the agency.

4. Each agency shall give, grant and extend to all requesters of public records all reasonable comfort and facility for the full exercise of the rights granted by this Chapter.

26.1-10. *Certain Personal and Other Records Exempt.*

1. The following shall be exempt from demands for public inspection and copying (but this section shall not prohibit an agency from making disclosure):

A. Personal information in any files maintained on patients or clients of public institutions or public health agencies.

B. Personal information in personnel files maintained on employees of any public agency, but disclosure of name, sex, color, address (other than the address of a sworn officer of the Police Department), date of appointment, grade, job title, job location, employing agency, and salary shall be considered public records subject to disclosure.

C. Specific intelligence information and specific investigative files compiled by the Department of Police.

D. Information revealing the identity of persons who file informal complaints with investigative or law enforcement agencies, except as the complainant may authorize.

E. Records which are relevant to a legal action to which an agency is a party but which records would not be available to another party under the rules of pretrial discovery for causes pending in the courts of this State.

2. The exemptions of this section shall be inapplicable to the extent that information, the disclosure of which would be exempt under paragraphs A through E above, can be deleted from the specific records sought. No exemption shall be construed to permit the nondisclosure of statistical information not descriptive of any readily identifiable person or persons.

3. Inspection or copying of any specific records, exempt under paragraphs A through E above, may be permitted if the agency approves or a court of competent jurisdiction finds, after a hearing with notice thereof to every person in interest and the agency, that the exemption of such records, is clearly unnecessary to protect any individual's right of privacy or any vital governmental function.

4. If an agency for any reason refuses, in whole or in part, inspection of any record, it shall deliver to the requester within three working days of the day on which the request is received by the agency having charge of the records (or, if an extended deadline is adopted under Section 26.1-11E, then on or before the extended deadline), a written statement of the specific reason authorizing the withholding of the record (or part) and a brief explanation of how the reason applies to the record withheld. Failure of the agency to deliver such a written statement shall create a conclusive presumption that there is no adequate reason for such withholding.

5. A copy of all grant and denial letters concerning requests and all written statements explaining why records have been withheld shall be collected and retained by each agency in a single central office file open to the public and indexed according to the alleged justifications asserted and, to the extent feasible, according to the types of records requested.

26.1-11. *Time to Reply to Request.* Every agency shall either comply with or deny a request for records within three working days of its receipt unless additional time is required for one of the following reasons:

A. The requested records are stored in whole or in part at other locations than the office having charge of the records requested.

B. The request requires the collection of a substantial number of specified records.

C. The request is couched in categorical terms and requires an extensive search for the records responsive to it.

D. The requested records have not been located in the course of a routine search and additional efforts are being made to locate them.

E. The requested records require examination and evaluation by personnel having the necessary competence and discretion to determine if they are exempt from disclosure under this Chapter or should be revealed only with appropriate deletions.

When additional time is required for one of the above reasons, the agency shall acknowledge the request in writing within the three-day period and shall include a notation of the reason for the delay and an indication of the date on which the records will be made available or a denial with be forthcoming. An extended deadline adopted for one of the reasons set forth above will be considered reasonable in all cases if it does not exceed three additional working days.

The three-day period specified above shall begin to run on the day that the request is received at that office of the agency having charge of the records. When a request is received at an office not having charge of the records, it shall promptly forward the request to the proper office and notify the requester in writing of the action taken and the name of the office or agency to which the request has been forwarded.

26.1-12. *Enforcement.*

1. If any member of the public is denied the right to inspect and copy any public record by an agency and files suit for injunctive or declaratory relief in any court of competent jurisdiction, the burden shall be on the agency to establish that refusal to permit public inspection and copying is required.

2. Any person who prevails against an agency in any action in the courts seeking the right to inspect or copy any public record shall be entitled to all costs, including reasonable attorney fees, incurred in connection with such legal action.

26.1-13. *Violations and Penalties.* Any person guilty of violating, disobeying, omitting, neglecting, or refusing to comply with, or resisting or opposing the enforcement of any of the provisions of this Chapter except when otherwise specifically provided, upon conviction thereof shall be punished by a fine of not less than Fifty Dollars ($50.00) nor more than Three Hundred Dollars ($300.00) for the first offense and not less than Fifty Dollars ($50.00) nor more than Five Hundred Dollars ($500.00) for the second and each subsequent offense in any 180-day period; provided, however, that all actions seeking the imposition of fines only shall be filed as quasi-criminal actions subject to the provisions of the Illinois Civil Practice Act (Ill. Rev. Stat. 1973, Ch. 110, par. 1 et seq.). Repeated offenses in excess of three within any 180-day period may also be punishable as a misdemeanor by incarceration in the county jail for a term not to exceed six months under the procedure set forth in Section 1-2-1.1 of the Illinois Municipal Code (Ill. Rev. Stat. 1973, Ch. 24, par. 1-2-1.1) and under the provisions of the Illinois Code of Criminal Procedure (Ill. Rev. Stat. 1973, Ch. 38, par. 100-1 et seq.) in a separate proceeding. A separate and distinct offense shall be regarded as committed each day upon which said person shall continue any such violation, or permit any such violation to exist after notificaton thereof. In no event shall this section be construed as applying to any member of the public in seeking access to public records under this Chapter.

26.1-14. *Severability.* If any provision, clause, sentence, paragraph, section, or part of this Chapter, or application thereof to any person, firm, corporation, public agency or circumstance, shall, for any reason be adjudged by a court of competent jurisdiction to be unconstitutional or invalid, said judgment shall not affect, impair or invalidate the remainder of this Chapter and the application of such provision to other persons, firms, corporations, public agencies or circumstances, but shall be confined in its operation to the provision, clause, sentence, paragraph, section, or part thereof directly involved in the controversy in which such judgment shall have been rendered and to the person, firm, corporation, public agency, or circumstance involved. It is hereby declared to be the legislative intent of the City Council that this Chapter would have been adopted had such unconstitutional or invalid provision, clause, sentence, paragraph, section, or part thereof not been included.

Section 2. This ordinance shall take effect on and after ten days from the date of its due passage and publication.
